RULES AND ORDERS
OF THE
COMMON COUNCIL.

Rights and Duties of the President.

SECT. 1. The President shall take the chair precisely at the hour to which the Council may have adjourned; he shall call the members to order, and on the appearance of a quorum, shall cause the minutes of the preceding meeting to be read, and proceed to business. In the absence of the President, the oldest member present shall call the Council to order, and preside until a President *pro tempore* shall be chosen by ballot. If upon a ballot for President *pro tempore*, no member shall receive a majority of the votes given in, the Council shall proceed to a second ballot, in which a plurality of votes shall prevail.

SECT. 2. He shall preserve decorum and order; he may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the Council, on motion of any member, regularly seconded.

SECT. 3. He shall declare all votes ; but if any member doubt the vote, the President, without further debate upon the question, shall require the members voting in the affirmative and negative, to rise and stand until they are counted, and he shall declare the result.

SECT. 4. He shall rise to address the Council, or to put a question, but may read sitting.

SECT. 5. The President may call any member to the chair ; provided such substitution shall not continue longer than one meeting. When the Council shall determine to go into Committee of the Whole, the President shall appoint the member who shall take the chair. The President may express his opinion on any subject under debate ; but in such case, he shall leave the chair, and appoint some other member to take it ; and he shall not resume the chair while the same question is pending. But the President may state facts, and give his opinion on questions of order, without leaving his place.

SECT. 6. When any member shall require a question to be taken by yeas and nays, the President shall take the sense of the Council in that manner, provided *one third* of the members present are in favor of it.

SECT. 7. He shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature ; except that in naming sums and fixing times, the largest sum, and the longest time, shall be put first.

SECT. 8. After a motion is seconded, and stated by the President, it shall be disposed of by vote of

the Council, unless the mover withdraw it before a decision, or amendment.

SECT. 9. The President shall consider a motion to adjourn, as always in order, unless a member has possession of the floor, or any question has been put and not decided; and it shall be decided without debate.

SECT. 10. He shall put the previous question in the following form: "Shall the main question be now put?"—and all amendments or further debate of the main question shall be suspended, until the previous question be decided; and the previous question shall not be put, unless a majority of the members present are in favor of it.

SECT. 11. When two or more members happen to rise at the same time, the President shall name the member who is first to speak.

SECT. 12. All Committees, except such as the Council determine to select by ballot, shall be nominated by the President.

Rights and Duties of Members.

SECT. 13. When any member is about to speak in debate, or deliver any matter to the Council, he shall rise in his place, and respectfully address the Presiding Officer; shall confine himself to the question under debate and avoid personality. He shall sit down as soon as he has done speaking.

SECT. 14. No member, in debate, shall mention another member by his name ; but may describe him by the ward he represents, the place he sits in, or such other designation as may be intelligible and respectful.

SECT. 15. No member speaking, shall be interrupted by another, but by rising to call to order, or to correct a mistake. But if any member in speaking, or otherwise, transgress the Rules of the Council, the President *shall*, or any member *may*, call to order ; in which case, the member so called to order, shall immediately sit down unless permitted to explain ; and the Council, if appealed to, shall decide on the case, but without debate.

SECT. 16. When any member shall violate any of the Rules and Orders of the Council, and the Council shall have determined that he has so transgressed, he shall not be allowed to speak, unless by way of excuse for the same, until he has made satisfaction.

SECT. 17. No member shall speak more than twice to the same question, without first obtaining leave of the Council ; nor more than once, until all other members, choosing to speak, shall have spoken.

SECT. 18. When a motion is made and seconded, it shall be considered by the Council, and not otherwise ; and no member shall be permitted to submit a motion in writing, until he has read the same in his place, and it has been seconded.

SECT. 19. When a question is under debate, no motion shall be received, but to adjourn ; to lie on the table ; for the previous question ; to postpone to a

day certain; to commit; to amend; or to postpone indefinitely; which several motions shall have precedence, in' the order which they stand arranged.

SECT. 20. Every motion shall be reduced to writing, if the President direct, or any member of the Council request it.

SECT. 21. When a motion has once been made, and carried in the affirmative or negative, it shall be in order for any member to move for a reconsideration, and if such motion is seconded, it shall be open to debate, and be disposed of by the Council. And in case the motion be made at the same meeting, it shall be competent for a majority of the members present to pass a vote of reconsideration; but if it be not made until the next meeting, the subject shall not be reconsidered unless a majority of the whole number of Common Councilmen shall vote therefor. But no more than *one* motion for the reconsideration of any vote shall be permitted.

SECT. 22. No member shall be permitted to stand up, to the interruption of another, whilst any member is speaking; or to pass unnecessarily between the President and the person speaking.

SECT. 23. Every member who shall be in the Council, when a question is put, shall give his vote, unless the Council, for special reasons, excuse him.

SECT. 24. On the 'previous question,' no member shall speak more than once without leave.

SECT. 25. A motion for commitment, until it is decided, shall preclude all amendment to the main question.

SECT. 26. All motions and reports may be committed or recommitted, at the pleasure of the Council.

SECT. 27. The division of a question may be called for when the sense will admit of it

SECT. 28. When the reading of a paper is called for, and the same is objected to by any member, it shall be determined by a vote of the Council.

SECT. 29. No standing rule or order of the Council shall be suspended, unless *three-fourths* of the members present shall consent thereto; nor shall any rule or order be repealed or amended, without one day's notice being given of the motion therefor, nor unless a majority of the whole Council shall concur therein.

SECT. 30. Every member shall take notice of the day and hour to which the Council may stand adjourned, and shall give his punctual attendance accordingly.

SECT. 31. No member shall be obliged to be on more than two committees at the same time, nor to be chairman of more than one.

Of Communications, Committees, Reports, and Resolutions.

SECT. 32. All memorials and other papers, addressed to the Council, shall be presented by the President, or by a member in his place, who shall explain the subject thereof, and they shall lie on the

table, to be taken up in the order in which they are presented, unless the Council shall otherwise direct.

SECT. 33. Standing Committees shall be appointed on the following subjects, viz: on the Finances, on Public Instruction, and on the Houses of Industry, Correction and Reformation, each to consist of seven members; on Elections and Returns; on Enrolled Ordinances and Resolutions, and on Public Buildings, each to consist of five members.

SECT. 34. No Committee shall sit during the sitting of the Council, without special leave.

SECT. 35. The rules of proceeding in Council shall be observed in committee of the whole, so far as they may be applicable, excepting the rules limiting the times of speaking; but no member shall speak twice to any question, until every member choosing to speak shall have spoken.

SECT. 36. In all elections by ballot, of Committees of the Council, the person having the highest number of votes shall act as Chairman; and when the Committee is nominated by the Chair, the person first named shall be the Chairman; but in case of his absence, the Committee shall have power to appoint a Chairman *pro tempore*.
